

VAT Zero Rating

If you, or the person who you are purchasing the alarm service for, are chronically sick or disabled, then you do not need to pay VAT and can tick the declaration of VAT relief box.

For the purposes of the VAT relief, you are chronically sick or disabled if:

- You have a physical or mental impairment which has a long-term and substantial adverse effect upon your ability to carry out everyday activities.
- You have a condition that the medical profession treats as a chronic sickness, such as diabetes.
- You have a terminal illness.
